

APPLICATION PROCEDURES AND INFORMATION

FALL 2021 SCHOOL YEAR

Our Nursery School is for children ages 2 through 6 years. Children must have been born on or before September 1, 2019, to be considered for Fall 2021 enrollment.

All applications for Fall 2021 submitted by December 11, 2020 will be given equal consideration. They will be reviewed in January 2021 and all applicants are notified of their fall enrollment status by late February 2021. Please attach one informal family photo to your application as well as some information about your family and why you are interested in our program. We would appreciate being kept informed of any change in address, email or telephone number.

Age cutoffs for new entering classrooms are:

Moon Room: birthdates 3/1/19 through 9/1/19

Rainbow Room: birthdates 9/2/18 through 2/28/19

Rose Room: birthdates 3/1/18 through 9/1/18

Parent tours are usually held once or twice a month, October through May, at 9:30am. Please call or email to confirm tour dates and make a reservation. At least one parent must attend a tour prior to submitting an application. The tour consists of meeting the director, walking the school grounds with parent tour guides, a brief discussion of our philosophy and general information. Tours are for parents only and usually last 1½ hours. Parking is available in Parking Structure #2 directly across from the school (the first 90 minutes are free).

After you have attended the Parent Tour, you are welcome to observe in a classroom for 20-30 minutes. Please call or email the office to schedule the observation. When you come for your observation, you will need to check in with the office to sign in and receive a visitor's pass.
